III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: www.fei.org.

DEDUCTIONS:

I. TAX AT SOURCE

We inform you that in a letter dated March 28th 1996, the Canton of Geneva stated its intention to apply the Federal Law regarding direct taxation and the Law of taxation at source. These legal provisions concern **all competitors in the CHI who do not have a Swiss residence permit**. This means that on net winnings, after deduction of living expenses indicated on the final statement of account at the end of the competition, **a tax rate of 0 to 25% will be applied**, according to the total balance. Our Sports Financial Service (Finances Sportives) can provide additional information on this matter. An official declaration detailing the fiscal deduction will be given to each competitor concerned, together with his/her final statement. It will facilitate the recovery of this tax in his/her country of residence.

DETAILS

According to the relevant Swiss tax regulations the Organizing Committee has to charge the tax rates listed below from the income (prize money+refunding of any kind of expenses – acquisition costs or 20% as acquisition costs) of each rider.

The daily average income for individual riders is calculated from the total income during the event, divided by 5 (days).

The tax rates are as follows:

Daily average income of the rider applicable rate

- 10.00% below CHF 200.00
- 12.00% between CHF 201.00 and 500.00
- 15.00% between CHF 501.00 and 1'000.00
- 20.00% between CHF 1'001.00 and 3'000.00
- 25.00% above CHF 3'000.00

II. SOCIAL INSURANCE

The activity of riders is considered as an independent activity by the Federal Insurance Office. As a consequence all earnings must be included and declared by all competitors in their independent revenue both in Switzerland and abroad.

A. SWISS COMPETITORS

All Athletes living in Switzerland, are requested to hand in a proof of their affiliation as an independent to an official compensation office of the OASI (Old Age and Survivors Insurance-AVS/AHV), or prove that they are employed by a company.

In case you do not provide this document, the earnings of "Prize Money" exceeding the amount of CHF 2'300.- will be subject to contribution of the OASI (AVS/AHV).

The CHI cannot bear the cost of the employers part and the applicable rate will be 15.192% (example: if the prize money is CHF 10'000.-, an amount of CHF 1'519.20 will be deducted and a net amount of CHF 8'480.80 will be paid out to the competitor).

B. FOREIGN ATHLETES

For riders coming from a country which is part of the European Union (EU) or a country from the European Free Trade Association (EFTA), we kindly ask you to hand in the E 101 formula, which proves that you are subject to a social security system as an independent in your country.

In a case where documents are not handed in as required, we remind you that the possible earnings of "Prize Money" must be considered as an income of an independent activity and that it is your responsibility to declare this as such in your country.

We draw your attention to the fact that the Swiss OASI could perform controls in your country.

C. OTHER FOREIGN ATHLETES

We remind you that the possible earnings of "Prize Money" must be considered as an income of an independent activity and that it is your responsibility to declare this as such in your country.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

Important information

The distribution of the sum allotted to each class shall be fixed according to the importance of the class and the number of competitors in such a way as to reward at least one out of five competitors. If several horses are equally placed, the cash prizes due to them shall be added together. The sum of this total shall be distributed in equal parts to the horses equally placed. Payment of the riders' winnings will be made by the Treasurer, 'Finances Sportives', 30 minutes after the end of class N°20 for the classes N° 12 and 19.

All payments (cash prizes, registration, travelling expenses, deposits, etc) will be made in Swiss francs (CHF). All riders are kindly asked to provide their bank details to the "Finances Sportives".
